## Rules of the Game

Kids menu items are limited to children twelve and under only please.

On our Kids Nights for .99¢, each child is given one kids meal item. Additional menu items will be charged at regular Kids Menu prices. It is our intention to allow "your" kids to eat for .99¢ with their parents on Kids Night. This means one or two of "your" kids with each adult meal, we will still accommodate larger families of their own children. \* Free drink is a regular carbonated beverage or tea. Does not include milk, juice, Little Fishy, or Something Fishy. Also excludes other non alcoholic specialty bar drinks

# Something Fishy for the Kids?

Who wants a Shirley Temple? Who *is* Shirley Temple?  
Kids these days don't know.

Treat your kids to something they will love  
that's a little fishy... Niffer's fish drink floats.

For just (\$3) three bucks get a "Something Fishy" in a  
Niffers Plastic Souvenir Fish Bowl or for just a buck get  
"A Little Fishy" in a plastic cup, just a buck-aren't your kids  
worth it? They come with FREE Sprite refills.
